Supervisor 2 **Mark Monnette A**

Supervisor 4 **Patrick Ravet X**

Town Board meeting was called to order at 1:00 p.m.

Town Clerk Clarence E. Coble was excused. Cindy Hagert recorded minutes of the meeting.

Wisconsin Department of Transportation officials, many Town residents along with local truck drivers were in attendance.

**Agenda Approval:** Motion (Pat Ravet/Dan Staudenmaier) to approve the agenda. Motion carried with 3 yes votes.

**Discuss Montana Way/Old Peshtigo Road:**

Even though both the City and Town of Peshtigo have passed resolutions opposing the roundabout, officials once again explained the benefits of a roundabout. Many concerns were heard against the roundabout from local truck drivers. Steve Noel stated that if the roundabout is not wanted then the state will comply with that request. If the Town does not want the stretch of Old Peshtigo Road then the state will do the maintenance and will continue with plans for the roundabout. After any votes on the roundabouts are made, the state would like to meet again to further discuss plans.

**Discuss Well Problems:**

Steve Noel from the Wisconsin Department of Transportation reported that they will make sure that Hoffman Construction will follow through with claims from some residents reporting problems with their well water. Problems include low water pressure and an odor to the water. Noel believes that Hoffman just switched to Liberty Mutual Insurance Company so there may be a delay in getting legal procedures started.

**Discuss jurisdictional Transfer:**

Erik Eskildsen from Erik's Garden would like to take over the dead end access road by his business. The Town of Peshtigo would be willing to do this and Eskildsen would need to contact the Department of Transportation to finalize the transfer.

Some miscellaneous discussion included thanking the Department of Transportation for putting up the reduced speed ahead signs leading up to Country Meadows Road. The Town of Peshtigo would like an information sign on the highway showing Town of Peshtigo. The Department of Transportation will look into the guidelines for this request.

Motion by (Pat Ravet/Dan Staudenmaier) to adjourn the meeting at 1:55 p.m. Motion carried with 3 yes votes.
