PRESS RELEASE- Town of Peshtigo #1:

Date: May 15, 2020

Town of Peshtigo hires law firm to assist with PFAS contamination issues.

MARINETTE, WISCONSIN- Following a closed session meeting of the Town of Peshtigo Board of Supervisors held on Thursday, May 14, 2020, the Town of Peshtigo confirmed the engagement of the law firm of von Briesen & Roper, S.C. to assist the Town with legal issues related to PFAS contamination in the Town's drinking water. Founded in 1904, von Briesen & Roper is a member of a worldwide network of prominent law firms hosting about 4000 lawyers in 59 countries and has about 180 lawyers in offices located throughout Wisconsin. The law firm has their own environmental law and litigation section with expertise to handle this very complex and challenging legal matter. To reach a satisfactory and equitable solution, the lawyers at von Briesen look forward to working collaboratively with town officials, local municipalities, responsible parties, and state and federal agencies.
