

## PRESS RELEASE

PESHTIGO, WI, Aug. 16, 2022—The Town of Peshtigo Board of Supervisors today voted to authorize its environmental legal counsel, Grant & Eisenhofer P.A., to commence litigation on the Town’s behalf against private companies responsible for undermining the public health and contaminating natural resources and drinking water supplies with toxic per- and polyfluoroalkyl substances (PFAS). As part of this approval, the Board of Supervisors also authorized the termination of the Town’s tolling agreement with Tyco Fire Products and Johnson Controls.

The Town anticipates commencing this litigation in approximately sixty (60) days and copies of the legal filings will be made available to the public at that time.
